

Eleva Broiler Festival, Inc
PO Box 91
Eleva WI 54738

The Eleva Broiler Festival has set a fee of \$250.00 for “for profit” vendors to display a booth during the annual Festival. “For profit” vendors, for our purpose, is defined as any organization or business that does not meet the criteria set by the Internal Revenue Service for “non-profit charitable organization” that sells products or advertises products for the purpose of personal/business monetary gain. Such vendors must be pre-approved by the Broiler Festival Committee. If approved, such vendors shall set up their booth on the west side parking lot of the Eleva Village Hall, or other approved location, not earlier than on Friday of the weekend of the Eleva Broiler Festival.

Non-profit local organizations may display a booth on festival grounds upon approval by the Broiler Festival Committee. Local organizations are those that are located within the Village of Eleva, Township of Albion, or Village of Strum, or have membership from any of those communities, such as a rod-n-gun club, American Legion, Lions Clubs Intl., etc.. Such organizations are exempt from the \$250.00 fee.

Each display is limited to 200 square feet of space. There will be a surcharge of \$50.00 for those wishing to hook up to our electricity. Our electricity will be very limited and may not be available to any or all vendors.

No organization, except for two, will be allowed to sell food of any kind. Eleva Little League may sell food at the Village Park during events held at the park. The 4H stand will be allowed to sell food on Festival Grounds as they have been grandfathered for this purpose.

Stipes Shows shall be exempt from these rules as they are already bound by contract with Eleva Broiler Festival, Inc.

If, after reading this letter, you wish to put a stand up during our festival, please respond back, by letter, no later than the Friday before Memorial Day.

Sincerely,

Brett Semingson
President
Eleva Broiler Festival
